Hello Mr. Cunningham,
Thank you for your email this morning. Based on our conversation last week, EPA had anticipated receiving Cabot's sampling data and QA/QC information this week. Once we obtain and review that information, we will be in a better position to discuss whether a meeting is appropriate, and the timing of such a meeting.

Should you or your counsel have any questions, please feel free to contact me.

Sincerely,
Humane Zia

Ms Zia, sorry for not getting back to you earlier this week as planned but my meetings in NYC ran longer than expected and I just returned to Houston last night. I am asking our environmental counsel to visit with you to coordinate the joint review of Dimock water issues that you and I discussed. Should you have questions or concerns please bring them to Cabot's attention so that we may have input. We would also welcome a meeting in your office to go over data and facts should you find that to be helpful.

Regards,

Kevin Cunningham
Vice President and General Counsel
